## Independent Auditor's Report

To the Board of Directors  
The ARRL Foundation, Inc.

### *Opinion*

We have audited the financial statements of The ARRL Foundation, Inc., which comprise the statements of financial position as of June 30, 2024 and 2023, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of The ARRL Foundation, Inc. as of June 30, 2024 and 2023, and the changes in its net assets and its cash flows for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

### *Basis for Opinion*

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The ARRL Foundation, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The ARRL Foundation, Inc.'s ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

### *Auditor's Responsibilities for the Audit of the Financial Statements*

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The ARRL Foundation, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The ARRL Foundation, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

#### Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplementary restricted funds summary is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the restricted funds summary is fairly stated, in all material respects, in relation to the financial statements as a whole.

### Notes to Financial Statements June 30, 2024 and 2023

#### Note 1 - Organization and summary of significant accounting policies

##### Organization

The ARRL Foundation, Inc. (the "Foundation") was incorporated as a not-for-profit corporation in September 1973 to administer programs to support the Amateur Radio community. The Foundation awards scholarships for higher education and awards grants for Amateur Radio related activities to groups throughout the United States and to individuals throughout the United States for the development of Amateur satellite and other innovative programs related to the mission of The American Radio Relay League, Inc. ("ARRL").

##### Basis of presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. The financial statements report information regarding the Foundation's financial position and activities according to the following classes of net asset categories:

Net assets without donor restrictions - Net assets that are not subject to explicit donor-imposed stipulations. Net assets without donor restrictions may be designated for specific purposes by action of the Board of Directors.

Net assets with donor restrictions - Net assets whose use by the Foundation is subject to either explicit donor-imposed stipulations, or to those imposed by operation of law, that can be fulfilled by actions of the Foundation, or that expire by the passage of time, and net assets subject to donor-imposed restrictions that they be maintained permanently by the Foundation. Generally, the donors of these assets permit the Foundation to use all or part of the income earned and capital gains, if any, on related investments for general or specific purposes.

##### Tax-exempt status

The Foundation is exempt under Section 501(c)(3) of the Internal Revenue Code ("IRC") and is exempt from private foundation status under IRC Section 509(a)(3) and as such is not subject to federal or state income taxes.

Management has analyzed the tax positions taken by the Foundation and has concluded that, as of June 30, 2024 and 2023, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Foundation's federal information returns prior to fiscal year 2021 are closed and management continually evaluates expiring statutes of limitations, audits, proposed settlements, changes in tax law and new authoritative rulings.

If the Foundation had unrelated business income taxes, it would recognize interest and penalties associated with any tax matters as part of the income tax provision and include accrued interest and penalties with the related tax liability in the statements of financial position.

##### Cash and cash equivalents

Cash and cash equivalents include all cash balances and highly-liquid short-term instruments with an original maturity of three months or less when acquired. Cash equivalents were \$911,884 and \$402,164 as of June 30, 2024 and 2023, respectively.

## The ARRL Foundation, Inc.

### Notes to Financial Statements June 30, 2024 and 2023

#### **Investments**

The Foundation reports investments at fair value (see Note 5) and reflects any gains or losses in the statements of activities. Investment income and gains and losses are considered without donor restriction unless restricted by donor stipulation or by operation of law.

#### **Revenue recognition - contributions**

Transactions where the resource providers often receive value indirectly by providing a societal benefit, although the societal benefit is not considered to be of commensurate value, are deemed to be contributions. Contributions are classified as either conditional or unconditional. A conditional contribution is a transaction where the Foundation has to overcome a barrier or hurdle to be entitled to the resource and the resource provider is released from the obligation to fund or has the right of return of any advanced funding if the Foundation fails to overcome the barrier or hurdle. The Foundation recognizes the contribution revenue upon overcoming the barrier or hurdle. Any funding received prior to overcoming the barrier or hurdle is recognized as a refundable advance.

The Foundation reports unconditional promises to give as revenue when the promise is received. Conditional promises to give are recognized as revenue when the condition is met. Grants and contributions received are recorded as with or without donor restrictions depending on the existence and/or nature of any donor restrictions. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions. Donor-restricted contributions whose conditions and restrictions are met in the same reporting period have been reported as support increasing net assets without donor restrictions in the statements of activities.

#### **Endowment and spending policies**

The Foundation has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that the Foundation must hold in perpetuity as well as board-designated funds. Under this policy, as approved by the Board of Directors, the endowment assets are invested in accordance with sound investment practices that emphasize long-term investment fundamentals. It is recognized that short-term market fluctuations may cause variations in account performance.

To satisfy its long-term rate of return objectives, the Foundation relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Foundation targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

The Foundation has a policy of appropriating funds for distribution based on an annual review of investment results, available net assets and scholarship requests. The Board of Directors then votes on an annual basis to award funds to organizations that meet certain criteria. In establishing this policy, the Foundation considered the long-term expected return on its endowment. Accordingly, over the long term, the Foundation expects the current spending policy to allow its endowment to grow at 4%. This is consistent with the Foundation's objective to maintain the purchasing power of the endowment assets held in perpetuity or for a specified term as well as to provide additional real growth through new gifts and investment return.

### Notes to Financial Statements June 30, 2024 and 2023

#### Use of estimates

The preparation of the Foundation's financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### Functional expenses

The cost of providing various program and supporting services has been summarized on a functional basis in the statements of activities. Costs are directly allocated based on the underlying function of the expenses.

#### Subsequent events

The Foundation has evaluated subsequent events through March 21, 2025, which is the date the financial statements were available to be issued.

#### Note 2 - Liquidity

The Foundation regularly monitors liquidity to meet its annual operating needs and other contractual commitments while also striving to maximize the return on investment of its funds not required for annual operations. As of June 30, 2024 and 2023, the Foundation has the following financial assets available to meet annual operating needs for the subsequent fiscal year as follows:

	<u>2024</u>	<u>2023</u>
Cash and cash equivalents without board or donor restrictions	\$ 1,022,224	\$ 637,230
Investments without board or donor restrictions	478,983	301,441
Interest and other receivables	<u>38,757</u>	<u>21,774</u>
	<u>\$ 1,539,964</u>	<u>\$ 960,445</u>

These assets are not subject to any donor restrictions.

The Foundation supports its general operations primarily with donor contributions without restriction and restricted contributions whose time or purpose restriction has been met. In addition to financial assets available to meet general expenditures within one year, amounts reported as board-designated could be made available, as needed, by Board action (see Note 7).

#### Note 3 - Concentrations

##### Credit risk

Financial instruments which potentially subject the Foundation to concentrations of credit risk consist primarily of cash and cash equivalents. The Foundation maintains its cash and cash equivalents with high credit quality financial institutions. At times, such amounts may exceed federally insured limits. At June 30, 2024, the Foundation did not have cash balances in excess of federally insured limits.

##### Market value risk

The Foundation invests in various debt and equity securities. These investment securities are exposed to interest rate, market, credit and other risks depending on the nature of the specific investment. Accordingly, it is at least reasonably possible that these factors will result in changes in the value of the Foundation's investments which could materially affect amounts reported in the financial statements.

**The ARRL Foundation, Inc.**  
**Notes to Financial Statements**  
**June 30, 2024 and 2023**

**Note 4 - Investments**

Investments at June 30, 2024 and 2023 consist of the following:

	2024	2023
Corporate bonds	\$ 1,819,438	\$ 1,718,560
Domestic common stocks	4,380,173	3,872,134
Domestic preferred stocks	29,904	57,556
Certificates of deposit	249,481	196,750
Other	-	29,420
U.S. Treasury bonds	2,342,076	1,448,829
	\$ 8,821,072	\$ 7,323,249

**Note 5 - Fair value measurements**

The Foundation values its financial assets and liabilities based on the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In order to increase consistency and comparability in fair value measurements, a fair value hierarchy was established that prioritizes observable and unobservable inputs used to measure fair value into three broad levels, which are described below,

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Foundation has the ability to access.
  
- Level 2: Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset.
  
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

In determining fair value, the Foundation utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs to the extent possible, as well as considers counterparty credit risk in its assessment of fair value.

**The ARRL Foundation, Inc.**

**Notes to Financial Statements  
June 30, 2024 and 2023**

Financial assets carried at fair value at June 30, 2024 and 2023 are classified in the tables below in one of the three categories described above,

	2024

<b>Total</b>	<b>\$ 4,126,440</b>	<b>\$ 3,196,809</b>	<b>\$ -</b>	<b>\$ 7,323,249</b>

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2024 and 2023.

Investments in common stocks that are listed on a national securities exchange or reported on the NASDAQ national market are valued at their last sales price on the valuation date (Level 1). Investments in preferred stocks are valued at their last sales price on the valuation date (Level 1). Certificates of deposit that are listed on a national securities exchange or reported on the NASDAQ national market are valued at their last sales price on the valuation date (Level 1). In the absence thereof, a pricing model is used to develop a value based on securities with similar characteristics (Level 2).

The fair value of U.S. Treasury bonds, corporate bonds, and other investments are estimated using market price quotations (where observable), based on recently executed transactions or bond spreads of the issuer (Level 2). If the spread data does not reference the issuer, then data that references a comparable issuer is used. When observable price quotations are not available, fair value is determined based on cash flow models with yield curves or bond spreads.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Foundation believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The ARRL Foundation, Inc.

Notes to Financial Statements  
June 30, 2024 and 2023

**Note 6 - Net assets**

The Foundation receives donor contributions which are restricted for purposes specified by the donors either for purpose or in perpetuity. These restricted contributions are administered by designated officials of the Foundation in accordance with those restrictions. Net assets balances are restricted for the following purposes:

	<u>2024</u>	<u>2023</u>
Endowment - Restricted in perpetuity	\$ 3,071,581	\$ 2,997,581
Endowment - Accumulated investment gains	1,229,991	889,887
Restricted by purpose	<u>3,303,249</u>	<u>2,493,150</u>
	<u>\$ 7,604,821</u>	<u>\$ 6,380,618</u>

The Foundation has certain balances that have been designated by the Board of Directors to be maintained as part of the endowment. Board-designated net assets at June 30, 2024 and 2023 are \$685,676 and \$641,190, respectively.

**Note 7 - Endowment**

The Foundation's endowment includes 39 donor-restricted endowment funds. As required by accounting principles generally accepted in the United States of America, net assets associated with endowment funds, including funds designated by the Board of Directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions. The Board of Directors has interpreted the Connecticut Uniform Prudent Management of Institutional Funds Act ("CTUPMIFA") as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary.

As a result of this interpretation, the Foundation classifies as net assets restricted in perpetuity: (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in net assets restricted in perpetuity is classified as net assets restricted by donor for purpose or time until those amounts are appropriated for expenditure by the Board of Directors in a manner consistent with the standard of prudence prescribed by CTUPMIFA.

In accordance with CTUPMIFA, the Foundation considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the various funds, (2) the purposes of the Foundation and donor-restricted endowment funds, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation (depreciation) of investments, (6) other resources of the Foundation and (7) the Foundation's investment policies.

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or applicable law requires the Foundation to retain as a fund of perpetual duration. As of June 30, 2024, no deficiencies existed. As of June 30, 2023, deficiencies of this nature existed in two donor-restricted endowment funds, which together have an original gift of \$90,000, a current fair value of \$86,861, and a deficiency of \$3,139. These deficiencies resulted from unfavorable market fluctuations that occurred during 2022.

**The ARRL Foundation, Inc.**

**Notes to Financial Statements  
June 30, 2024 and 2023**

**Note 8 - Commitments**

The Foundation administers the William R. Goldfarb Memorial Scholarship which provides a meritorious young Amateur Radio operator a full scholarship. The scholarships will fund costs not already covered through financial aid or other scholarships. These scholarships are subject to certain performance requirements and are contingent upon an annual reassessment of need.

In addition, the Foundation has approved numerous partial scholarships to students that have met certain criteria in accordance with the scholarship and are contingent upon the students attending school in the fall and spring semesters.

**Note 9 - Related party transactions**

The Foundation has some common Board of Director members with ARRL. ARRL performs administrative services for the Foundation. Administrative fees charged for these services were \$52,396 and \$40,289 for the years ended June 30, 2024 and 2023, respectively, and are included in administrative expenditures on the accompanying statements of activities. As of June 30, 2024 and 2023, there were receivables from ARRL of \$10,000 and \$0, respectively, included on the accompanying statements of financial position within interest and other receivables.
